A Better Connectivity

Company Profile

PPX electronics was founded in 2010 , specializing in the production of a wide range of professional brass connectors and audio equipments. It is located in the capital city of India – New Delhi. PPX has worked hard to be one of the leading brands in India. Our motto has always been to provide great quality products with reasonable prices and reliable service. Our Company has become the pioneer in its field with strong engineering workforce, excellent technical equipment and sound quality management. This has enabled us to build a diversified product and trading line. We are constantly coming up with top-grade Brass connectors for PA system, cable TVs and CCTVs. At PPX, we believe in providing state-of-the-art product portfolio comprising of superior quality Microphone & Speaker cables, and Professional Audio Cords. Our products can also be customized as per the client’s exact requirements. We see it as our mission to achieve and maintain complete customer satisfaction.

Product profile

- XLR, Speakon, P-38, Stereo Pins & Connectors for PA System
- Cables - Microphone, Speaker, Snake, Networking, CCTV & Power cables
- Cords - Microphone, Snake, Computer, Power & Networking Cords
- Amplifiers, Wired & Wireless Microphones, Cubes
- Brass Connectors & Jinters for CATV, CCTV
- Fiber Optic Patchcords
